General Information

Menu selection must be submitted at the time of booking your event. This should be done at least two weeks in advance of your function.

The following menus are only a sampling of the possibilities available to you. Special request menus can be arranged to meet your unique theme or dietary requirements with prior notice.

All food and beverage selections are subject to applicable taxes and gratuities.

A guaranteed number of guests attending must be received in writing at least 3 business days prior to the function. If this guaranteed number is not received the billing will be made out for the number of persons for which the function was originally booked or if higher, the number of attendees.

Billing will be made for the guaranteed number or if greater, the actual number of attendees.

Rental charges apply and include one set-up. Additional charges may apply for multiple re-sets.

All food and beverages must be provided by Play! Gaming & Entertainment.

A cancellation fee will apply once confirmation of a booking has been received in writing, verbally or with deposit.

Audio visual equipment is available upon request at the time of booking. Rates are quoted in this guide.

Unless otherwise specified, all invoices are due and payable upon receipt.

The entertainment facility will take all necessary care, however we cannot assume responsibility for the loss or damage to property left in the centre prior to, during or after an event.

Social Functions (Non Business): Advance payment is required. A deposit is required upon confirmation of your reservation. Fifty percent of the estimated cost of the function is due a minimum of 7 days prior to the function. The balance is due on the day of the function and must be paid by cash or certified cheque.

The Entertainment centre will not permit the affixing of anything on the walls, floors or ceilings of the meeting room with nails, staples, tape or any other substance unless written approval is given in advance of your function.

In the event this is done and any damage is suffered, the patron responsible for the booking will be billed for the cost of repair or replacement.
